Help us help local cancer patients

ABOUT THE BILL BOTTINO CANCER FOUNDATION

The Bill Bottino Cancer Foundation (BBCF), formerly the Barbara Cook Cancer Foundation, a New Jersey Non-Profit 501(c)(3) organization, was reorganized in 2016, after establishing the annual Bill Bottino Mud Run, which began in 2011. Over the years, the Bottino ShopRite stores and annual Bill Bottino Mud Run event have been instrumental in raising and donating over \$1,000,000 to cancer care organizations.

The Bill Bottino Cancer Foundation is proud to be able to make these donations to local cancer care facilities that make such a big difference in the lives of those suffering from this disease. The BBCF prides itself in keeping the money raised local, helping family, friends and neighbors battle cancer. It is important that the organizations receiving these donations provide money directly towards supporting cancer patients' personal needs, which may include things such as their household expenses.

The BBCF donates all of its fundraising proceeds to local cancer care organizations, as the Foundation and its events are run with 100% volunteer efforts, with no paid staff.
